

To access your LearnKey courseware, go to www.gmetrix.net

The login page for GMetrix Skills Management System. It includes fields for Username and Password, a language dropdown set to English, and a Sign In button. Below the Sign In button is a link for 'Don't have an account? Sign up'. At the bottom, there are links to continue with Clever, Google, or Microsoft accounts. Red arrows point to the 'Sign up' link and the Microsoft login button.

- If you have a GMetrix account, from a Chromebook, Windows, or Mac computer login with your account.
- If you need a new GMetrix account, select Sign up here! or link your Clever, Microsoft, or Google account.
- To redeem a code, select the  key-shaped redeem button and enter the code provided by your instructor.

1. Take Pre-Assessment
2. Watch Video Training
3. Exercise Labs (Follow the on-screen instructions to use the labs that are available for your e-learning device)
4. Review the Glossary
5. Student Workbook Activities (Ask your instructor if you are required to complete them)
6. Take the Post-Assessments (Determine knowledge gained. Passing score = 80% or higher)
7. Review Activity Report
8. Review and utilize the Study Guide from the GMetrix Dashboard

The screenshot shows the course interface for 'Meta Certified Digital Marketing Associate'. On the left is a navigation menu with items like 'Meta Certified Digital Marketing Associate Glossary', 'Meta Certified Digital Marketing Associate Workbook', and 'Domain 1: The Value of Meta Technologies'. Red circles with numbers 1 through 6 highlight specific items in the menu. The main content area shows 'Lesson 1 - Identify Meta Technologies and Value Proposition' with a video player. The video shows a Facebook login screen with a text overlay: 'Messenger, formerly known as Facebook Messenger, is now a standalone app that allows users to send'. On the right, there's a sidebar with 'Identify Meta Technologies and Value Proposition' and links to 'How to Study for this Exam', 'Introducing Meta Technologies', and 'Use of Each Meta Platform'. A red circle with the number 2 highlights the 'Introducing Meta Technologies' link. At the top right, there's a 'View Activity Report' button and a red circle with the number 7.

Remote Learning Best Practices:

- When accessing LearnKey courseware from home, try minimizing additional wifi connections, such as gaming or streaming videos, as they could cause course pages or videos to load slowly.
- If you are using an internet filter or firewall, please ensure the following domains are allowed: media-aws.onlineexpert.com, activity.onlineexpert.com, www.onlineexpert.com, onlineexpert.com, and lms.onlineexpert.com.
